

Fall Leaf Collection Schedule

October 1 - December 7, 2018

Richland Township began its leaf collection program because of the need to keep storm water inlets clear and to help our residents properly dispose of leaves. The leaves we collect are taken to facilities that recycle them into compost. If you have a composting lawn mower, you may want to consider using it to leave the composting leaves in place to benefit your lawn in place of piling them up at the road for collection.

Although we will try to meet the following schedule, our collections may be affected by poor weather or other factors. If we get behind in our schedule, we will collect leaves as close to your collection date as possible.

Leaf collection on rural roads

Because of the large amount of frontage along rural roads, we must limit collections on those roads to a **one time collection** during the week specified for your road. Leaves placed for collection after the specified week may not be collected.

Pile leaves on the shoulder as close to the roadway as possible. Our machine cannot reach farther than the shoulder so leaves beyond that point will not be collected.

Leaf collection in developments with roads dedicated to the Township

The leaf collection vehicle will travel through the dedicated road developments weekly. If leaves are placed out late in the week, they may be collected the following week. Leaves must be on the road surface, against the curb. Leaves on the sidewalk or in yards will not be collected.

Leaf collection in developments with non-dedicated roads

Leaves will be collected two times in developments with roads that are privately maintained and not part of the Township road system: **November 5 to November 9, 2018**, and again the week of **November 19 to 23, 2018**.

Most of these developments have parking lots or courts that cannot be accessed with our equipment because of space constraints and numerous parked cars. Place the leaves on the street, against the curb, on the main access roads. Leaves on sidewalks, yards and inaccessible areas will not be collected.

Developments in this group, and the streets where leaves may be placed:

Stonegate Village

(place leaves on Stonegate Road)

Beaver Run

(place leaves on Beaver Run Drive, Terrace Drive and Windsor Circle)

Important Information

- 1). DO NOT place any other materials such as sticks, grass clippings, or yard waste with your leaves.**
These items clog the vacuum hose and cannot be collected. **ONLY** leaves will be collected, all other waste will be left behind.
- 2). DO NOT park vehicles on (or close to) leaf piles.**
We cannot collect leaves that are under or too close to vehicles (we need room for our equipment to be able to get to the piles). Hot mufflers and exhaust pipes may ignite the leaves and cause vehicle damage or loss.
- 3). A leaf drop-off area is available for all residents.**
You may drop them off in the leaf bin behind the salt storage shed at the Township Building at 1328 California Road.
- 4). WE NO LONGER ACCEPT LEAVES IN PLASTIC BAGS AT THE DROP OFF BIN.**
Dump bags out on to the pile and take the plastic bags away. Leaves in paper bags are accepted.

If you have questions concerning these matters, please contact the Township's Public Works Director at 215-536-4066.
