Agenda

- Brayton Gardens Park
 - Valerie from Boucher & James was in attendance to update us that the project is currently on schedule. Soil testing is currently underway and surveying is on schedule.
 - For naming the new park, Tom had a few name suggestions: Barrel Run Park, Great Blue Heron Park or something with Unami in the name. It was suggested that we not tie it in with Brayton Gardens neighborhood name
 - Valerie was asked if the trail was going to be going in and she confirmed yes, the trail will be going in.
 - Tom asked if the volleyball court Tim mentioned at the last meeting was added to the plans. We were informed that it has not been added to the plans. This will need to be added after.
 - Tom looked into pricing for a 5K from Pretzel City Sports and with staff and check in, it would cost \$1,100. Looking to see if a fun run could be put in its place with a small giveaway.

was agreed by all the Saturday, October 1, 2016 will be our Community Day
- Movie Nights
 - Looking into which non-profit groups the committee would like to invite to the Movie Nights. Would we like to have a group come at our June movie night as we also have the egg hunt at that movie? It was suggested that we invite Last Chance Ranch to our June movie night to help entertain the children with animals while waiting for the

movie. It was also suggested that we invite POQ and Stuff the Bus again. Cindy asked the committee to think about it and get back to her at the March meeting.
