**2. Approval of Minutes for the February 24, 2015 meeting**

Frank Hilt made a motion to approve the February 24, 2015 Minutes and was seconded by William Rosson. Minutes approved by all in attendance.

**3. Report from the Police Department**

Chief Ficco reported that other than a rehabilitation out-patient incident in Walnut Bank Farms, Police activity has been low. 24/7 operations are running well. The proposal to staff an Officer in the Quakertown Community School District has been inactivated and we await any further development(s). A video report of the Police Department was created as a class project by QCSD High School students, which turned out to be very well done and is recommended for posting to the CPLB Facebook page.

**4. Hiring of New Officers**

Chief Ficco reported that the new candidate is in place and working well.

**5. Report on Youth Aid and Community Accountability Panels**

No report on Youth Aid Panel. Frank Hilt advised that the adult panel is interviewing replacement candidates due to recent resignations. The panel has been mostly dealing with retail theft offenders.

**6. Facebook page status/update**

No report.

**7. Upcoming Events**

Continued discussion/planning for the Richland Township Community Day on July 18, 2015 and the Sara Parvin Soccerfest on July 25, 2015.

Andrew Maseloff reported that a snow cone maker can be rented for \$200.00 – funding will need to be determined. Chief Ficco advised that the pricing of Officer photo-cards is too expensive (\$1,500 for 250 cards) and will therefore not be available. Chief Ficco will now investigate the cost and availability of safety/law enforcement themed temporary tattoos. Frank Hilt will contact “4 The M.I.N.D.S.” counseling to invite them to sit at our table and Jim Sulger will follow up with the Bucks County Sheriff’s office to request the Crime Van be provided for display.

**8. New Projects and Ideas**

Jim Sulger pointed out that the CPLB introduction letter does not contain any contact information. William Rosson will investigate the implementation of a telephone voice mail and e-mail account set-up with the Township.
