and Chris Vanelli*

Fresh air, warmer weather and blooming flowers. What's not to love about spring, and what's not to love about no yearly tax increase? Richland Township Supervisors adopted a budget for the year 2025, with no tax increase while balancing the budget despite increasing costs. Being fiscally responsible with our tax dollars, while continuing the same high-quality services our residents have come to appreciate, is a top priority for us in Richland Township.

One example of a cost saving measure was the total renovation of the municipal meeting room, and updates to the bathrooms and lobby that were in need of repairs and also increased energy efficiency. Hundreds of thousands of tax dollars were saved on labor and material costs by having the work done in-house by a very talented public works employee. The lobby was remodeled using repurposed wood that was donated for free from

a local barn demolition. The Township playground was upgraded with funds received through a grant award from DCNR. We have also applied for additional grant funding to renovate our well-loved and highly-used Pickleball Courts. That project will be scheduled for later in the year.

It has been an honor to serve as your Township Supervisor, wholeheartedly confronting challenges head on to protect you and our community. Efforts to stop the sale of Bucks County Water & Sewer Authority that would have significantly increased costs for our residents were successful.

## MESSAGE FROM SUPERVISOR KATHIE DOYLE *continued from cover*

When a developer filed a validity challenge to our zoning map to expand the development areas in our Township, we stood our ground, and their appeal was denied by the Zoning Hearing Board. As of this writing, there are several Pennsylvania House Bills being proposed in Harrisburg to revise the Pennsylvania Municipalities Planning Code (MPC) that takes away local government control and would have a direct impact on the zoning in our community. These bills include:

**HB 2045:** This legislation would revise the Municipalities Planning Code to require cities, boroughs, towns and townships with more than 5,000 in population to permit the use of duplex, triplex and fourplex housing in areas currently zoned for single-family residences only.

**HB 1976:** This legislation would revise zoning laws to allow multi-family housing and mixed-use development in urban areas zoned for office, retail and parking with existing water and sewer systems.

Local zoning is a long-held and time-tested power of local government used to not only protect the health, safety, and welfare of citizens, but also to shape the extent of development and the character of a community. We are working with our State Representative Craig Staats and have joined forces with the Bucks County Association of Township Officials, and the Pennsylvania State Association of Township Supervisors, in opposing the legislation.

As your Township Supervisor, I will continue to work to protect our community and remain a diligent watchdog to ensure that our tax dollars are spent wisely. I want to express my sincere gratitude to the residents of our Township for giving me this opportunity to serve you.

Kathie Doyle  
Richland Township Supervisor

*thank you*

Richland Township would like to thank Oldcastle Lawn & Garden. They made a generous donation of topsoil to the Richland Township Public Works Department. We greatly appreciate receiving these materials to help our community!

## NEW SESSION BRINGS NEW LEADERSHIP OPPORTUNITIES

By Rep. Craig Staats (R-Bucks)

As the 2025-26 legislative session begins, I'm honored to take on the role of Republican Chairman of the newly formed House Intergovernmental Affairs and Operations Committee. This appointment gives me the opportunity to lead efforts to improve coordination and communication among Pennsylvania's state, local, and federal governments while streamlining government operations for greater efficiency.

The committee's work will focus on finding practical ways to enhance government accountability and improve the delivery of essential services. From addressing issues with intergovernmental coordination to ensuring taxpayer dollars are spent wisely, I'm eager to work with my colleagues to tackle these important challenges.

### CONTACT INFORMATION

**Hon. Craig T. Staats**

#### District

10 South Third Street  
Quakertown, PA 18951  
(215) 536-1434, Fax: (215) 536-1437

#### Capitol

110 Ryan Office Building  
P.O. Box 202145  
Harrisburg, PA 17120-2145  
(717) 783-3154, Fax: (717) 260-6521

Beyond my work in Harrisburg, my district office remains dedicated to serving you. Whether it's helping seniors obtain SEPTA Key Senior Fare Cards, assisting with PennDOT paperwork, or guiding residents through the Property Tax and Rent Rebate program, we are here to help. If you have questions or need assistance, please don't hesitate to contact my office. We're located at 10 S. Third St. in Quakertown. Give us a call at 215-536-1434 or visit our website, [RepStaats.com/contact](http://RepStaats.com/contact), to let us know how we can help you!

It's a privilege to represent the 145th District and serve as a leader in this important role. I'm excited about the work ahead and look forward to advancing initiatives that benefit both our local community and the Commonwealth as a whole.

Thank you for the opportunity to serve, and as always, feel free to reach out with your thoughts and concerns.

See you around town!  
Craig

## ROADWORK SCHEDULE FOR 2025

- NovaChip Paving will be performed this year on all the roads in Brayton Gardens II
- Chip Seal (Tar & Chip) will be performed on the following roads:
  1. Rich Hill Road
  2. Muskrat Road
  3. Smoketown Road
  4. Rockhill Road
  5. Hickory Lane
  6. Axehandle Road

This work is planned for Spring (April or May) weather and schedule permitting.  
If you have any questions, please contact Jim Benner at 215-536-4066.

### FAQ.....What is NovaChip?

Sealing qualities of a Chip Seal with advantages of a thin Hot Mix overlay in one process. This saves on curb reveal and is laid at an avg. depth of ¾" – 1". It has a proven service life of 10 – 15 years.

It allows for a quick, clean application with very little disruption to residents or the travelling public.

It provides superior sealing, waterproofing and leveling of the pavement. It's open texture also provides for future maintenance to be less expensive.

## From The Desk Of Zoning Office . . . RICH BRITTINGHAM

### DEVELOPMENTS UNDER CONSIDERATION

1. **Richland Walk (*Better Living Homes*)**  
B5 Performance Standard Subdivision, 104 townhome units—53+ acres south side of E. Pumping Station Rd.

**A FREE LUNCH WILL BE PROVIDED AFTER THE EVENT!**

## FROM THE TAX OFFICE

**B**ucks County and Richland Township have not increased taxes for 2025. The combined Bucks County/Richland Township property tax bills are issued on March 1st. Your bill contains useful information regarding your parcel and payments. The tax year for the County/Township bill is the calendar year. The school bills follow the school fiscal year from July 1st to June 30th and are labeled according to the year they are issued.

On the County/Township bill there are two copies of the bill on the page. The middle section is your copy and can be retained by you for your records. The bottom section is the Tax Collector copy to be included with your payment. If you want a PAID receipt for your records, send the Taxpayer (middle) copy along with the Collector copy and include a stamped, self-addressed envelope. I will stamp, sign and return your copy. You will need the signed copy if you apply for the property tax rebate. State Representative Staat's office can assist with the rebate program.

The school bills are issued on July 1st. Also on the school bill are two copies, the top and bottom thirds of the page. The middle third should be returned to me with the first installment only if you choose the three-payment plan. You do not get the discount if you choose the installment plan. If you want a PAID receipt for your records, send the Taxpayer (top) section along with Tax Collector copy and include a stamped, self-addressed envelope.

Ray Goodnoe  
Tax Collector

There is a 2% discount available if you pay the County/Township by April 30th, and the school bill by August 31st. In order to receive the discount, the check must be received by that date, or the envelope postmarked by that date or the electronic payment entered by that date. For your convenience, I have included a return envelope with this year's bill.

Appearing on the bill are the taxing authority and the millage collected by each. One mill represents one dollar of tax for every thousand dollars of assessed value. Your assessed value is shown on the bill and is determined by the Bucks County Board of Assessment. The assessment value is calculated by taking the fair market value at the time of assessment and dividing it by the ratio determined by the Commonwealth each July. Currently, if you divide your assessment by .067 you will have approximately the fair market value as determined by the County. If you reasonably believe that the resulting amount is too high, you may appeal to the County.

If you have not received your bills within a week of the mailing dates above, please call me. If you change your mailing address, please keep me informed, in writing, of the correct address. As always, please call me if you have any property tax questions at 215-529-5719. Enjoy your Summer!

## FIND AN EVENT NEAR YOU

## QUAKERTOWN FIRE DEPT. ANNUAL REPORT

P.O. BOX 112 | QUAKERTOWN, PA 18951

Quakertown Fire Co. No. 1  
Station 17

West End Fire Company  
Station 18

Chief – David Erwin / President – Greg McDermott

The Quakertown Fire Department has released its 2024 fire report. The Quakertown Fire Dept. composed of Quakertown Fire Co. #1 – Station 17 on W. Broad St. and West End Fire Co. #2 – Station 18 on Park Ave. in Quakertown responded to 742 requests for service in 2024. This total consisted of 663 fire, 47 fire police, 8 QRS, and 24 Dept. Officer dispatches by Bucks County Radio. Days with the most fire calls were Wednesday with 107 followed by Monday with 106. Types of fire dispatches were 109 automatic fire alarms, 76 building/dwelling fires, 70 accident stand-by and a variety of fire calls for brush, vehicle rescues/rescues, automobile/truck, fumes inside/outside, wires inside/outside, chimney, CO alarm, dumpster/rubbish, and others type fires or assists to other departments resulting in the 663 fire dispatches and total manhours expended of 4,538. The Quakertown Fire Dept. is 100% volunteer members responding to emergencies 24 hours a day, 365 days of the year. Volunteers are equipped with pagers and utilize the Active 911 system on their personal phones for notification of emergency dispatches.

In 2024, the Department consisted of 3 engines, a ladder truck, rescue truck, chemical/cascade truck, field truck, 2 utility trucks, a traffic unit, and 4 chief officer vehicles. Miles logged by apparatus were Engine 17 – 2,442, Engine 17-1 – 1,817, Chemical 17 – 1,761, Ladder 18 – 1,906, Squirt 18 – 1,940, and Rescue 18 – 1,073. The department has established a minimum 20-year replacement schedule for the major fire-fighting apparatus, 15 years for the ladder truck and 25 years for the rescue and chemical trucks. Replacement schedules are designed to reduce the financial burden that could develop in the replacement of aging apparatus. All the apparatus is equipped with the latest and most efficient equipment for the multitude of emergencies the department is dispatched. Station members clean and maintain the apparatus and emergency equipment.

The Quakertown Fire Department serves Quakertown Borough, significant portions of Richland Township, and portions of East

Rockhill Township. In addition, mutual aid is provided to fire companies in neighboring boroughs, townships, Montgomery, Lehigh, and Northampton counties. Training is provided through Bucks County Fire School, other certified trainers, department, and station training. The Department, in addition to this training, conducts department and station drills.

All of the proceeding totaled an additional 6,645 manhours for the volunteers in 2024. Monthly station and department meetings add additional manhours.

The Department in 2024 operated on a budget of slightly more than \$700,000 dollars. Finances for the department are met by financial assistance provided by Quakertown Borough, Richland Township, East Rockhill Township, fire station annual letter drive donations, insurance company fire insurance subsidies, general donations, grants, and individual station fund raisers. Annually the Fire Department hosts a carnival held in early June 2025 to raise funds. All department and station fund raisers require additional time to be donated by volunteers.

The Quakertown Fire Dept. is extremely thankful to the numerous dedicated men & women who volunteer to serve their community when volunteer fire service is suffering in Pennsylvania. The department still needs volunteers to serve as firefighters and fire police. Anyone 18 years of age and older can volunteer by stopping at either station, Monday is drill/meeting night, to inquire or pick-up an application. The department has a junior fire-fighters program for youth ages 14-17 and auxiliaries who assist the stations with programs, fund raisers, and community events. The department stations welcome visitors interested in learning more about emergency services, the apparatus, the equipment used by our volunteers, and fire safety. The officers and volunteers of Quakertown Fire Department are pleased and proud to serve you.

# THE RICHLAND (ONE-ROOM SCHOOL) HISTORICAL SOCIETY

## A Year of Progress

Shelly School circa 1885.

The Richland Historical Society, located at 130 Richlandtown Pike, Quakertown, had a successful 2024. We participated in Richland Township's Community Day, loaned our three Atkinson paintings to the Richland Library Company in Quakertown for their art exhibit this summer, had our first guest speaker, Dr. Robert Leight, who spoke about The Evolution of One-Room Schools (1720-1956), had our first program by Francine Schmitt on antique Christmas ornaments and we hosted our 27th Let Freedom Ring bell-ringing event on July 4 with 73 attendees.

The Society had its first fundraiser at The Proper Brewing Company located in Quakertown. We hope to have you join us again this year another night of great food! When the date is set, we will post it on the website, [www.richlandhistoricalsociety.org](http://www.richlandhistoricalsociety.org).

We hosted our 65th Homecoming. Guest speakers included State Representative Craig Staats and Supervisor Kathie Doyle. Both mentioned the importance of the Historical Society keeping the community in touch with its educational roots and also pledged to give continued support. Rep. Staats presented the Society with a Proclamation from the PA House of Representatives recognizing the importance of the work we do. The program featured one-room school students' recollections of what a day in a one-room school was like. We will resume a tour program this spring and will provide the community with programs at our normal meeting time on the 3rd Sunday at 2 p.m. Both dates will be posted on the website.

Our new website provides the community with news of our events and history of the one-room school system in Richland Township, and we will soon have PayPal available on our website to make payments for memberships. Our landscaping had an overhaul, a new sign was installed, and we renovated the girls' outhouse. The Bucks County Intermediate Unit's students assisted with extensive cataloging of our library and inventory of historic items, organizing our museum, painting, planting and mulching that gave the grounds and buildings a new, fresh look. Stop by and see what we've done.

We thank Richland Township for its support for the past 25 years, the Woman's Club of Quakertown, and our corporate sponsors QNB and Your Eye Associates. We always welcome new members! There is a membership form on the website. If you have questions or want to schedule a tour, leave a message at 215-536-5505.

# PRESERVATION IN RICHLAND TOWNSHIP 2025

## THE RICHLAND TOWNSHIP PRESERVATION BOARD

At the end of 2024, the Richland Township Land Preservation Board had preserved 38 farms and properties in the Township with easements, property donations, and fee-simple purchases, for a total of over 1,350 acres protected. Now, that's some preservation progress.

*But what does 'protected' mean?*

Properties with an easement that will protect the open space are not for public access, unless specified. When a landowner chooses to put an easement on their property, it means that certain restrictions will be put on the acreage that is to be preserved to protect it. First, development is restricted in the area that is protected. It also means that the streams, woodlands, and soils are protected with various restrictions spelled out in the easement. The landowner is compensated per acre on the area to be preserved.

Most easements state protection of the land to the landowner as such: "to assure the Easement Area will be retained forever in its agricultural and open space condition and to prevent any use of the property that will significantly impair or interfere with the

conservation value of the property", which includes protecting the woodlands, plant and animal life, streams, wetlands, and valuable soils of the farm fields. This agreement follows the property deed in perpetuity. And for this, the property owner is compensated to ensure the land is protected.

The Township has a monitoring program to ensure that the conditions are followed, and monitoring is conducted every two years by Heritage Conservancy. It is a partnership with the property owner that helps to protect the preserved property from encroachment and other forms of trespassing.

In 2025, the Preservation Board's main goal is to continue to promote the program and make sure that owners of farmland and natural areas are aware of the Township's program. Properties over 25 acres are preferred unless there are unique natural amenities or is adjacent to already preserved land. The Preservation Board works closely with Heritage Conservancy, a non-profit land conservation organization.

We also can offer guidance on Bucks County's Farmland Preservation Program and how to apply. For this program farms must be 35 acres or more and actively farmed, as well as be a member of our Agricultural Security Area.

There is still a lot of open space left to protect in Richland Township to help our rapidly growing community maintain balance. Please call Rich Brittingham at 215-538-4066 for more information on these preservation programs. We are looking for new members to join our mission. Please visit our website [www.richlandtownship.org](http://www.richlandtownship.org) for a volunteer application, if you are interested in becoming a member of the Preservation Board.

**Homewatch CareGivers™**  
Caring experts. Expert care.

**Advanced Continuum of Care**

**Companion Care**

- ✦ Medication reminders
- ✦ Meal preparation
- ✦ Light housekeeping
- ✦ Pick-up prescriptions, groceries, etc.

# My heart IS IN THE BEST HANDS

**"I was always healthy, I never expected that I'd have a heart attack. Thankfully when I was at my worst, St. Luke's was at their best – They saved my life. I'm so grateful for the incredible care from my doctors and nurses at St. Luke's." — Sherry Haas**

When it comes to your heart, you deserve exceptional care, no matter how complex or routine the issue. That's why Sherry chose St. Luke's – an eight-time 50 Top Heart Hospital. St. Luke's consistently leads the region in adopting innovative technologies, ensuring every patient receives the highest quality care and outcomes. With St. Luke's, Sherry knew her heart was in the best hands every step of the way. *Discover the excellence of St. Luke's, scan the QR code or visit [sluhn.org/heart](http://sluhn.org/heart) to learn more.*

# THANK YOU!

## We are proud to call this community home for more than 75 years.

As a third generation family-owned & operated global manufacturer, most of our team members come from right here. We are integrated into local CTE programs to help build the next generation of manufacturers while we continue to innovate and drive precision manufacturing for aerospace, auto, industrial, medical, recreational and tactical markets.
